Figure 4

A grainy, high-contrast black and white photograph of a textured surface, possibly a piece of paper or a wall. Three hand-drawn arrows are visible, pointing to specific features. The first arrow, located in the upper right, points to a small, dark, irregular spot. The second arrow, located in the lower left, points to a small, dark, irregular spot. The third arrow, located in the lower right, points to a small, dark, irregular spot. The background is heavily textured with numerous small, dark specks and larger, lighter areas, giving it a mottled appearance.
